# BUSINESS RULES FOR CONTRIBUTION PROCESSING

Please review and follow these rules to insure compliance with the requirements for contribution processing.

1. **Payment must be made in US dollars only.**
2. Employers reporting initial compensation must be signatory to the appropriate Collective Bargaining Agreement. **Contributions will not be accepted until the Trusts have received the appropriate executed documentation. Initial compensation contributions may only be paid by the Signatory Employer on the Signatory Employer's check stock, not through the Parent or other affiliated Company. No personal checks will be accepted unless the Signatory Employer is a sole proprietor.** Payments may be submitted through payroll services.
3. Initial compensation and residual payments may not be combined on the same Report of Contributions or electronic file. Please indicate the Compensation Type, Initial or Residual, on the electronic file or Report of Contributions.
4. Contributions are due on all writers performing covered services, regardless of their membership status with the Writers Guild of America.
5. **Only one period of activity may be submitted on a weekly or monthly Report of Contributions or electronic file.** For example, only activity in June of 2014 may be reported on the June 2014 monthly report. Any other period of activity must be submitted on a separate report. Do not report multiple months on a single report. For flat-deal employment, report the compensation due on the commencement or delivery date of the writing steps or use the date of the event that triggers a payment from a writer's contract. Do not report an amount that was earned on one single day over an entire quarter. **Quarterly reporting of initial compensation is not permitted.**
6. Reports of Contributions and electronic files must be identified by the collective bargaining agreement under which they are submitted. Only one collective bargaining agreement may be submitted per report. For example, contributions paid under the 2011 and 2014 MBA's must be on separate reports.
7. All compensation must be submitted on a per writer/per project/per payment/per period basis (**no lump sum reporting**). For example, if Writer A receives six payments for work performed in June 2014, each payment must be reported on a separate line and identified by the applicable fields. For information on the applicable fields, please see the **Written Instructions** on preparing the Report of Contributions (ROC).  
**Salary advances** are reportable when the writer is paid, not when he/she performs the hired services.  
**Deferred compensation** is reportable when it is paid, not when the writing services were performed.

9. Employers, Payroll Services, and Paying Agents who are reporting must include a Control Total Sheet that shows Subject Earnings and Contributions Due per employer. **Reports of Contributions and electronic files covering multiple employers will not be processed without a Control Total Sheet.**
10. Credits may not be taken on a current report if they are for a period prior to the current reporting period. For example, a credit for earnings originally reported in January 2012 may not be taken on the June 2014 report. Credits must be submitted separately with a valid explanation, original check numbers, and the original reported work dates. **Credits without valid explanations will be disallowed and the employer billed for the contributions withheld from the current payment as well as interest, if applicable.**
10. **Refund requests must be made in writing** and accompanied by the appropriate documentation (contract, payroll register, etc.) to be considered.
11. **Data submitted electronically will be entered as reported on the electronic file.** No changes will be made to the electronic files. Corrections to the manual Reports of Contributions must be submitted in writing (or via email). Please do not put social security numbers in an email unless they are in a document that has been password protected.
13. **Quarter Switch**—If earnings were reported in the wrong quarter, submit a written request to transfer the earnings with the back-up to support the change (contract, delivery schedule, payroll register, etc.). **Please note that earnings may not be moved for the sole purpose of obtaining eligibility for benefits.**
14. **10% Owner Reporting Rules.** If the writer directly or indirectly owns 10% or more of the equity of the contributing employer, included equity ownership by the writer's spouse, domestic partner, writer's (or spouse's) parent, sibling or lineal descendant, or writer is an Officer, Board Member or Director of a for-profit or non-profit entity, the following requirements must be met:
  - a. The project must have **unrelated** third party financing. If there is no unrelated third party financing, the reporting cannot be accepted.
  - b. If the Writers' contract does not separate writing compensation from compensation for other services, contributions must be made on the lower of: 100% of the Writers' total compensation under the project or \$125,000\* (the amount necessary to pay the cost of the annual Health Fund coverage; figure may be adjusted yearly).
  - c. If the Writer's contract specifically states the amount allocated for such writer's covered services, contributions shall be due on the greater of the amount so specified or the Basic Agreement's minimum compensation for such services. If the contract with the unrelated third party does not specifically state the amount allocated for the writing services, contributions are based on the lower of one of the following:

- i. 5% of the total compensation the contributing employer received from the unrelated third party for producing non-dramatic programming or 10% of the total compensation the contributing employer received from the unrelated third party for producing dramatic programming, or
- ii. At least \$125,000\* (based on the earnings/contribution amount necessary to pay the cost of annual Health Fund coverage; this figure may be adjusted yearly).

\*In 2012, the earnings amount was \$152,054.

### **New Media—100% Self-Funded Owner/Writer**

If the Owner/Writer does not receive any outside financing and is fully self-funded, contributions on the Owner/Writer's compensation will count towards the Owner/Writer's eligibility for benefits when there is a legitimate project produced and distributed. Contributions are payable upon first receipt of revenues\*\* and are deemed earned and due at that time. The writing fee reportable amount would be 10% for Dramatic programming or 5% for Non-Dramatic programming based on the actual production budget.

\*\* Revenues are fees received from unrelated third party for availability or exhibition of the project, *i.e.*, program(s) or series, on New Media, including but not limited to, the Internet and mobile devices (such as cell phones and PDA's).

Note: If the New Media Owner/Writer's project is not 100% self-funded, the standard rules apply.

**Please call the Employer Compliance Department for more information on 10% Owners at 818-846-1015, press "3" then "1" when prompted or visit our website at [wgaplans.org](http://wgaplans.org) and select the 10% Owners tab under Contributions.**

**Your call may be monitored or recorded for quality assurance.**

**Please be advised that reports may be rejected and returned if insufficient information or improper transactions are included.**

# INSTRUCTIONS FOR FILLING OUT THE REPORT OF CONTRIBUTIONS (ROC)

A paper Report of Contributions, CD or electronic file must be submitted with the contribution payments to the Plan and Fund. Employers will not be billed unless the contributions are delinquent. Interest will be charged on delinquent payments. Employers should keep a copy of the ROC for their files.

Payment Due Dates:

**Weekly** – Payments are due within 10 business days after the close of the payroll week in which the Writer is paid or due compensation. If payment is not received within 30 calendar days after the due date, interest will be charged from the close of the payroll week in which the Writer is paid or due the compensation.

**Monthly** - Payments are due within 10 business days after the close of the month during which the Writer is paid or due compensation. If payment is not received within 10 calendar days after the due date, interest will be charged from the close of the month in which the Writer is paid or due the compensation. Monthly contributions received after the 24th of the following month are delinquent.

**Interest Rate - .83% per month (capped at 30%)** Interest will be charged on all delinquent contributions. If a delinquency must be referred to the Collections Attorney for the Trusts, the interest cap is removed and interest will continue to accrue until the delinquency is paid.

If delinquent contributions are billed to the employer, and have not been received at the Trusts within 60 days, **Liquidated Damages** will be charged at the rate of .83% per month from the billing letter date until the delinquency is paid.

If a delinquency must be referred to the Funds' collection attorney, 20% of the contributions due will be added as **Liquidated Damages**.

Flat Deals are employment to write a specific project; story, teleplay, rewrite, screenplay, etc.

Use the rate in effect on the writer’s contract date for all **guaranteed** flat deal services and **bonuses**.

For **optional** services, use the rate in effect on the day the optional hired service is exercised.

**Pension Plan Contribution Rate**

Pension Rate 5/2/14 to 5/1/17	8.5%
Pension Rate 5/2/13 to 5/1/14	8%
Pension Rate 5/2/12 to 5/1/13	7.75%
Pension Rate 5/2/11 to 5/1/12	7.5%

**Pilots and the first season of new one-hour series**

Pension Rate 5/2/14 to 5/1/17	7%
Pension Rate 5/2/13 to 5/1/14	6.5%
Pension Rate 5/2/12 to 5/1/13	6.25%
Pension Rate 5/2/11 to 5/1/12	6.0%

**Health Fund Contribution Rates:**

START DATE	END DATE	HEALTH FUND RATE
4/1/09	5/1/15	8.5%
5/2/15	5/1/16	9%*

*\*In the 2nd and/or 3rd periods of the 2014 MBA, the Trustees may agree to increase or reduce the Health Fund contribution rate by up to .5%, in increments of not less than one-quarter percent (0.25%), by reducing or increasing minimums a corresponding percentage if they determine that additional contributions are needed/not needed to maintain the level of benefits in existence on May 1, 2014. Effective May 2, 2015 the Trustees agreed to increase the Health Fund contribution rate by .5%. The projected 3% MBA salary increases effective 5/2/15 will therefore be reduced by .5% to 2.5%.*

# **THEATRICAL—Flat Deal Employment**

## **Pension Plan and Health Fund Ceilings**

The ceiling is calculated per project, per writer or *bona-fide* team of two (2) writers even if the writer(s) was employed by more than one company on the same project. Contact the Fund Office if you have a question about prior contributions remitted on a project to date. Please note that membership in the Guild is not a requirement for contributions to be due. Contributions are due on all writers performing covered services. Please contact the Writers Guild of America if your writer is performing services outside the United States. If a writer is rendering services on a project both as an individual and as a member of a writing team, please contact the Trusts for more information.

If the writing contract is dated on or after November 1, 2004:

PENSON CEILING	HEALTH CEILING	
\$200,000	\$250,000	1 Writer or Team of 2
\$400,000	\$500,000	Team of 3

If the writing contract is dated on or after February 13, 2008:

PENSON CEILING	HEALTH CEILING	
\$225,000	\$250,000	1 Writer or Team of 2
\$450,000	\$500,000	Team of 3

A *bona-fide* team of 3 writers as a unit must receive in the aggregate not less than 200% of the applicable minimum compensation, of which each individual writer shall be paid not less than 1/3 of said aggregate compensation. Please contact the Guild for information on teams of 4 or more.

**Guaranteed Services and Bonus—Reportable at the ceiling and rate in effect on the date of the writers’ contract.**

**Optional Services—Reportable at the ceiling and rate in effect on the date the optional service is exercised.**

If a writer reaches the \$200,000 and \$250,000 ceilings for both pension and health earnings prior to February 13, 2008, and an optional service(s) is exercised on or after February 13, 2008, the compensation for the optional service(s) is reportable to the Pension Plan on earnings of up to \$25,000 to reach the new ceiling.

**Initial Compensation = Compensation paid for hired writing services, including the amount paid for a Purchase when in conjunction with the hired writing employment. Initial Compensation, Bonuses and Profit Participation are subject up to the ceiling per project.**

**The following examples show how Guaranteed and Optional service compensation is reportable.**

**Example A** Writer's contract is dated **6/25/14**  
 Guaranteed services—Story and Screenplay for compensation of \$150,000  
 Optional Rewrite compensation \$100,000 (Option is never exercised)

 Optional Rewrite compensation of \$50,000 (Option exercised **November 2011**)  
 Optional Polish compensation of \$200,000 is ordered on **May 15, 2013** (reportable at rate in effect on the date the option is exercised).

SUBJECT TO PENSION	SUBJECT TO HEALTH	PENSION PLAN RATE	HEALTH FUND RATE	
\$75,000	\$75,000	6%	8.5%	Guaranteed Compensation
\$50,000	\$50,000	<b>7.75%</b>	<b>8%</b>	Optional Rewrite

<b>\$225,000</b>	<b>\$250,000</b>	<b>Reportable</b>		

**OPTIONS**

**Not reportable**

**PURCHASES**

Reportable, if the Company **also hires the writer to perform hired services** (rewrite, polish) on that same project, which may be on a pay-or-play basis. (Certain IRS limits apply to the ceiling on Purchases)

Note—If an Option payment is applicable against the Purchase Price and the Purchase is exercised, the Purchase becomes reportable if the same writer is hired to perform additional writing services. The Option compensation is reported as part of the Purchase Price, never on its own.

The following two examples show how Purchases are reportable when hired writing services, on a pay-or-play basis, are performed by the same writer from whom the script was purchased.

**ROC = Report of Contributions.** This is the form on which employers report the writer’s earnings and contributions to the Trusts. This may be submitted electronically or on paper.

**Example A** The Option and Purchase payments are made before the writer performs the Rewrite. Writer’s contract is dated **5/31/12**.

<b>Total Purchase = \$100,000</b>	AMOUNT PAID TO WRITER	SUBJECT TO PENSION	SUBJECT TO HEALTH	REPORT ON ROC FOR MONTH OF:
Applicable Option payment 5/31/12	\$10,000	<b>0.00</b>	<b>0.00</b>	<b>Do not report</b>

Total Paid	\$175,000	<b>\$175,000</b>	<b>\$175,000</b>	<b>Total Reportable</b>

**Example B** The Purchase is made after the writer receives the Option payment and performs the Rewrite. Writer’s contract is dated **5/31/12**.

<b>Total Purchase = \$100,000</b>	AMOUNT PAID TO WRITER	SUBJECT TO PENSION	SUBJECT TO HEALTH	REPORT ON ROC FOR MONTH OF:

**THEATRICAL**

**SETTLEMENTS**

**Settlements are reportable.** Please check with your Labor Relations/ Business Affairs Department, the Employer Compliance Department at the Funds, or the Writers Guild of America for more information.

**WRITING TEAMS**

**A *bona-fide* team of two (2) writers (indicated by an “&” on the screen credit) is considered one writer for the ceiling calculation.** Most writing teams divide their compensation equally (50/50), but not always. If a writing team does not share the compensation equally, the pension and health reportable earnings will follow the same allocation as the compensation paid to each writer. An unequal division of compensation requires agreement by the Company and the Writers Guild of America. If a writer is rendering services on a project both as an individual and as a member of a writing team, please contact the Trusts for more information. If a Married/SSDP team wishes to split the compensation unequally to qualify one team member for eligibility, please contact the Writers Guild of America for more information.

The following two examples show how compensation and ceilings are allocated to a *bona-fide* two person writing team.

**Example A** Writers A&B are hired as a team to write a Story and Screenplay in June 2014. Their total compensation is \$300,000. According to their contract, the Compensation is divided equally.

	AMOUNT PAID TO WRITER	SUBJECT TO PENSION	SUBJECT TO HEALTH	
Writer A	\$150,000	\$112,500	\$125,000	Reportable—50% of \$225,000
Writer B	\$150,000	\$112,500	\$125,000	Reportable—50% of \$225,000
Paid	\$300,000	<b>\$225,000</b>	<b>\$250,000</b>	<b>Total Reportable for the Team</b>

**Example B**

Writers A&B are hired as a team to write a Story and Screenplay in June 2014. Their total compensation is \$300,000. According to their contract, they divide the compensation \$75,000 to A (25%) and \$225,000 to B (75%).

	AMOUNT PAID TO WRITER	SUBJECT TO PENSION	SUBJECT TO HEALTH	
Writer A	\$75,000	\$56,250	\$62,500	Reportable—25% of \$225,000
Writer B	\$225,000	\$168,750	\$187,500	Reportable—75% of \$225,000
Paid	\$300,000	<b>\$225,000</b>	<b>\$250,000</b>	<b>Total Reportable for the Team</b>

**In what time period are the earnings reportable?**

The hired service earnings are reportable in the time period in which the writer performed the hired services. **See the writers’ contract for the events that trigger payments.** If the contract calls for a payment to be made upon commencement of 1st Draft, and the writer commences on February 25, 2013, the earnings are reportable and contributions due to the Plan/Fund on the February 2013 ROC, whether or not the writer has been paid.

If a writer performs a triggering service in the last week of a quarter, the earnings may appear on the following month’s report. For example, the writer commences a draft on March 29th. Due to payroll processing, the entry appears on the employer’s April report. This may affect the writer’s qualification for benefits. Please contact the Employer Compliance Department if an entry requires correction. We will require a copy of the writer’s contract and supporting documentation to approve the adjustment. If the writer is due a bonus, the bonus is reportable in the time period in which the event that triggered the bonus occurred (for example, 1st day of principal photography occurred on 7/20/13; report the bonus on the July 2013 report).

**ROC = Report of Contributions.** This is the form on which employers report the writer’s earnings and contributions to the Trusts. This may be submitted electronically or on a paper report.

# TELEVISION—FLAT DEAL EMPLOYMENT

## Pension Plan and Health Fund Ceilings

The ceiling is calculated per project, per writer or per team of two (2) or three (3) writers, even if the same writer(s) was employed by more than one company on the same project. Contact the Fund office if you have a question about prior contributions remitted on an acquired project.

Please note that membership in the Writers Guild of America is not a requirement for contributions to be due. Contributions are due on all writers performing covered services.

**In order to calculate a ceiling, you must know the following five facts:**

1. Agreement (for example 2014 MBA)
2. Writer's Contract Date (are services guaranteed or optional?)
3. Writer's Hired Service (story, teleplay, rewrite, etc.)
4. Length of project (30, 60, 90, 120 minutes, etc.)
5. Budget (assume High Budget unless otherwise indicated)

PENSION CEILING	HEALTH CEILING	Contracts dated 11/1/04—2/12/08 MOW, Mini-series
\$200,000	\$200,000	1 Writer or Team of 2
\$400,000	\$400,000	Team of 3

PENSION CEILING	HEALTH CEILING	Contracts dated 2/13/08—5/1/14, MOW, Mini-series
<b>\$225,000</b>	<b>\$250,000</b>	1 Writer or Team of 2
<b>\$450,000</b>	<b>\$500,000</b>	Team of 3

### 1. What is the ceiling on an episodic contract?

**Answer—2.5 times the “applicable minimum” or initial compensation, whichever is greater.**

**Applicable Minimum** = The non-network prime time rate for the hired services (including rewrites and polishes), per the writer's contract date (see Article 13.B.7. of the Minimum Basic Agreement for minimums).

**Initial Compensation** = Compensation paid for the hired writing services, including the amount paid for a Purchase when in conjunction with writing employment.

**Contingent Compensation** = Bonus, Residuals and Profit Participation on MOW's and Mini-series.

**Example**

A writer is hired to write a **network prime time 60 minute episodic Story & Teleplay**.  
**The writer's contract is dated August 18, 2015.**

Initial Compensation is \$37,368 (network prime time minimum)

“Applicable Minimum” is \$25,927 (see Article 13.B.7.c.)

60 minute Story & Teleplay non-network rate on 8/18/08	\$25,927 App. Min.
	<u>    X 2.5</u>
Calculated Ceiling	<b>\$64,817.50</b>
Reportable Initial Compensation	<b>\$37,368</b>

**Since 2.5 times the “applicable minimum” is greater than the initial compensation, \$27,449.50 (\$64,817.50—\$37,368) is subject to contributions on other reportable compensation such as residuals or bonus payments.**

**2. What is the ceiling on a flat deal project that is less than 120 minutes in length?**

**Answer—2.5 times the applicable minimum or initial compensation, whichever is greater.**

**Example**

A writer is hired to write a **network prime time 60 minute non-episodic Story & Teleplay**. The **writer's contract is dated August 18, 2012**.

Initial Compensation is \$175,000

"Applicable Minimum" is \$24,254 (see Article 13.B.7.c.)

60 minute Story & Teleplay non-network rate on 8/18/11	\$24,254 App. Min.
	<u>X 2.5</u>
Calculated Ceiling	<b>\$60,635</b>
Reportable Initial Compensation	<b>\$175,000.00</b>

The reportable amount is \$175,000 since the initial compensation is greater than the calculated ceiling. If the writer is hired to perform additional services (rewrite, polish, etc.) those minimums are added to the applicable minimum to compute the calculated ceiling.

**3. What is the ceiling on a non-episodic flat deal, 120 minutes or more in length? (MOW, Mini-series for contracts dated 5/2/12 and later)**

**Answer—2.5 times the applicable minimum or initial compensation, whichever is greater, NOT TO EXCEED \$225,000 (Pension), \$250,000 (Health) if the calculated ceiling or initial compensation is greater than \$225,000 (P) or \$250,000 (H). For contracts dated 11/1/04-2/12/08, the ceilings were \$200,000 (P) and \$250,000 (H)**

**Example A**

A writer is hired for a **network prime time 120 minute non-episodic Story & Teleplay**. The **writer's contract is dated August 18, 2013**.

Initial Compensation is \$75,000

"Applicable Minimum" is \$48,604 (see Article 13.B.7.c.)

120 minute Story & Teleplay non-network rate on 8/18/08	\$48,604 App. Min.
	<u>X 2.5</u>
Calculated Ceiling	<b>\$121,510</b>
Reportable Initial Compensation	<b>\$69,513</b>

The calculated ceiling is greater than the initial compensation so the writer's earnings are reportable up to \$121,500. After the initial compensation of \$75,000 is reported, residuals, bonus or profit participation earnings in the amount of \$51,997 are reportable to reach the ceiling. Additional rewrites and polishes will increase the ceiling.

**Example B**

A writer is hired for a **network prime time 120 minute non-episodic Story & Teleplay**.  
 The **writer’s contract is dated August 18, 2014**.

Initial Compensation is \$175,000  
 “Applicable Minimum” is \$49,819 (see Article 13.B.7.c.)

120 minute Story & Teleplay non-network rate on 8/18/14	\$49,819 App. Min.
	<u>    X 2.5</u>
Calculated Ceiling	<b>\$124,548</b>
Reportable Initial Compensation	<b>\$175,000</b>

**The writer’s initial compensation is greater than the calculated ceiling so \$175,000 is reportable. If the writer is hired to perform additional services (rewrite, polish, etc.), those amounts are reportable up to the \$225,000(p)/\$250,000(h) ceiling. Contingent compensation may be reportable after additional minimums are added to the Calculated Ceiling for additional hired services.**

**Example C**

A writer is hired for a **network prime time 120 minute non-episodic Story & Teleplay**.  
 The **writer’s contract is dated August 18, 2014**.

Initial Compensation is \$275,000  
 “Applicable Minimum” is \$49,819 (see Article 13.B.7.c.)

120 minute Story & Teleplay non-network rate on 8/18/08	\$49,819 App. Min.
	<u>    X 2.5</u>
Calculated Ceiling	<b>\$124,548</b>
Initial Compensation	<b>\$275,000</b>
<b>Reportable Initial Comp (Pension)</b>	<b>\$225,000</b>
<b>Reportable Initial Comp (Health)</b>	<b>\$250,000</b>

**The initial compensation is greater than the calculated ceiling but also exceeds \$225,000 for Pension and \$250,000 for Health so the ceilings apply to the initial compensation.**

Many television episodic and MOW contracts consist of Story & Teleplay, 2 Revisions and a Polish. The 2 Revisions are considered included in the applicable minimum for Story & Teleplay. The applicable minimum for the Polish is added to the Story & Teleplay applicable minimum to calculate the ceiling. Please see your Business Affairs or Labor Relations Department for more information.

## Health Fund Contribution Rate:

START DATE	END DATE	HEALTH FUND RATE

*\*In the 2nd and/or 3rd periods of the 2014 MBA, the Trustees may agree to increase or reduce the Health Fund contribution rate by up to .5%, in increments of not less than one-quarter percent (0.25%), by reducing or increasing minimums a corresponding percentage if they determine that additional contributions are needed/not needed to maintain the level of benefits in existence on May 1, 2014. Effective May 2, 2015, the Trustees agreed to increase the Health Fund rate by .5%. The projected 3% MBA salary increases effective 5/2/15 will therefore be reduced by .5% to 2.5%*

# TELEVISION—Week-to-Week and Term Employment

In order to determine the correct reportable earnings amount and contribution rate, answer the following questions:

## A. In what capacity is the writer hired?

See example:

- (#1) Article 14.K.—Writer-Producer, Showrunner, Hyphenate
- (#2) Article 14.K. —Story Editor, Creative Consultant, Story Consultant
- (#3) Article 14.E.2.—Additional Capacity Television Development
- (#4) Article 13.B.7.s.(2).—Week-to-Week and Term Employment

## B. What is the minimum compensation and applicable Pension Plan and Health Fund rate on these earnings?

Use the writer’s workweek date (not contract date) to determine the applicable minimum weekly compensation, contribution rate and weekly reportable amount.

**Effective 5/2/14, the pension rate for pilots and the first season on new one-hour series will increase to 7%.**

For Article 14 writers, flat deal employment is reportable in addition to the weekly reportable amounts.

Writers employed in additional capacities include writer-producers, showrunners, writer-directors.

### (#1)

**14.K.—Writers Employed in Additional Capacities—Writer-Producers**  
**The weekly compensation minimum is also the weekly reportable amount for 14K services. Scripts, program fees, residuals, etc. are also reportable.**

#### Example A (#3)

Writer is employed on a 52 week 14.E.2. development deal starting 2/3/14. Yearly compensation is **\$300,000**. Pension Plan and Health Fund subject amounts and Health Fund contribution rates are determined by the rates in effect during the writer’s workweek. In this example, the writer’s guaranteed salary is greater than the Presumed Base Amount for contributions.

Writer's Weekly Earnings = \$125,000/52

Pension Subject = \$250,000/52

Pension Plan and Health Fund % = The rate in effect during the writer's workweek

**(#4) Article 13.B.7.s.(2).—Week-to-Week and Term Employment**

13.B.7.s.(2).(e).—In no event shall a writer employed on a term basis receive less than the total applicable minimum compensation, as set forth in the Basic Agreement, to which he/she would have been entitled had he/she been employed on a freelance basis. At the end of each guaranteed period of employment on a term basis, Company shall compute the aggregate minimum compensation to which the writer would have been entitled under this Basic Agreement had he/she been employed on a freelance basis to write the literary material written by writer during such period, and shall deduct therefrom the total compensation accruing to the writer during such period, and will promptly pay to the writer the excess, if any.

Please note if scripts are paid in addition to the weekly salary, the scripts are reportable as they are paid and are not part of the aggregate calculation.

<b>Total Paid</b>	<b>\$27,222</b>		<b>\$27,222</b>	<b>\$27,222</b>	<b>Reportable</b>	

The writer’s total compensation for the 6 week work period is \$27,222. During this 6 week period, the writer delivered one 60 minute non-network story and teleplay. Earnings are reportable per the chart on the previous page.

60 minute non-network Story & Teleplay rate on 9/05/15 **\$25,927**  
 Writer’s compensation for 6 weeks (9/8/15—10/11/15) **\$27,222**

Since the writer’s compensation is greater than the minimum for the hired service, no additional compensation is due to the writer.

**Total Reportable = \$27,222**

**Ceiling is 2.5 times \$27,222 = \$68,055**

**Effective 5/2/14, the pension rate for pilots and the first season of new one-hour series will increase to 7%. If the above example was the first season of a new one-hour series, the pension rate would remain 7% throughout the first season.**

## Example B (#4)

Writer is hired to work 40 out of 52 weeks at minimum compensation.  
Services begin 9/05/15.

The writer's total compensation for the 40 week work period is \$139,242

During this 40 week period, the writer delivered four 60 minute network prime time Story and Teleplays during the period 10/1/15-2/24/16.

Weekly reportable earnings are \$139,242 & dates and language about Trustees increasing to 9%

4 X 60 minute network prime time Story & Teleplays **\$149,472** (\$37,368 X 4)  
Writers reportable compensation for 40 weeks **\$139,344**

Since the writer's compensation is less than the minimum for the hired services, the writer is due additional reportable compensation of **\$10,128**.

**Total Reportable = \$149,472**

**Cap per episode is \$64,817.50 (\$25,927 X 2.5)**

**If the above example was the first season of a new one-hour series, the pension rate would remain 7% throughout the first season.**

### In what time period are the earnings reportable?

The hired service earnings are reportable in the time period in which the writer performed the hired services. See the writer's contract for the events that trigger payments. If the contract calls for a payment to be made upon commencement of 1st Draft, and the writer commences on December 15, 2012, those earnings are reportable and contributions due to the Plan/Fund on the December 2012 ROC, whether or not the writer has been paid. If the writer is due a bonus, the bonus is reportable in the time period in which the event that triggered the bonus occurred (for example, 1st day of principal photography occurred on May 15, 2013, report the bonus on the May 2013 report). Residuals are reportable in the month in which the project re-aired (default to payment date if unknown or not applicable). **Salary advances are reportable when paid.**

**TELEVISION**

**ROC = Report of Contributions.** This is the form on which employers report the writer's earnings and contributions to the Trusts. This may be submitted electronically or on paper.

**Example A**
